

# SCHWARTZ

# ROUNDS

Schwartz Rounds are a multidisciplinary forum designed for colleagues to come together to discuss and reflect on the emotional and social challenges associated with working in healthcare. Rounds provide a confidential space to reflect and share personal experiences.

ALL SFH colleagues are invited to attend the Schwartz Round (clinical and non-clinical staff.) You can now connect into the Round via Microsoft Teams. There will be opportunity to comment and ask questions via the Teams function.

Dates/times for the rounds and the MS Teams link will be communicated via the Bulletin and Teams SFH Facebook

**Sherwood Forest Hospitals**  
NHS Foundation Trust

The poster features the NHS logo at the top right, followed by 'Sherwood Forest Hospitals NHS Foundation Trust'. Below this is the 'The Point of Care Foundation' logo (a blue circle) and the 'Sherwood Forest Hospitals Charity' logo (a green tree). A green banner reads 'Join us for today's Schwartz Round All SFH staff are invited'. Below the banner is a photograph of a group of people in a meeting. The text below the photo states: 'Schwartz Rounds offer a safe space for all staff to come together to share and reflect on the personal, emotional and social aspects of their work. Light lunch available, prior to Round starting. Rounds start promptly at the allotted time; there is no entry after that time in order to support the staff sharing their experiences.' At the bottom, under 'Our Values', are five items: 'C Communicating and working together', 'A Aspiring and improving', 'R Respectful and caring', and 'E Efficient and safe', each with a brief description. A green tree graphic is on the right side.
