

Paramedic placements

We also offer placements for paramedic students to gain experience in the following areas:

- Paediatrics
- Emergency care
- Clinics
- Cardiology
- Maternity
- Wards

Placements can be from 2 days to 4 weeks in length and are aimed at allowing the paramedic student to gain insight into patient pathways and look at more specialised areas of care.

We currently take students from:

- University of Lincoln
- University of Northampton
- Nottingham Trent University
- Sheffield Hallam University

Ward/area contacts can be found within different speciality tabs.
