

Welcome to the Library and Knowledge Service

Information you can use

The Library and Knowledge Service's vision is to provide high quality evidence-based knowledge and information to enable high quality decision-making, learning, research and innovation to achieve outstanding care and health improvement. Find out more about what the Library and Knowledge Service can offer you [here](#).

Need easy access to the latest evidence? Use our Discovery Search tool!

Click the icon to find all e-resources available.

You will need to login using your OpenAthens CCOUNT to access the resource itself.

If you want to know if a journal or e-book is available you can use the [Publications Finder](#) to check. Download our [guide](#) for further information.

Royal Marsden Manual of Clinical Nursing Procedures

To access click on this [link](#) and enter the username and password: **sherwood** and **forest**. Download our [Quick Guide](#) for further details.
