<b>Executive Summary</b>				
<p>The aim of the COVID-19 vaccination programme is to protect those who are at risk of serious illness or death should they develop COVID-19, and reduce transmission of the infection, thereby contributing to the protection of population health.</p> <p>The paper provides an overview of the contributions the Trust has made to support the Nottingham and Nottinghamshire COVID-19 vaccination programme.</p> <p>The details of the vaccinations issued to date are summarised in the attached slides.</p> <p>The Summary highlights to date are:</p> <ul style="list-style-type: none"> <li>Phase 3 commenced on 17th September 2021 for eligible HSCW's, Care Home staff and over 50's, offering Pfizer vaccine unless AZ is clinically required.</li> <li>Over 140,000 vaccines have been administered at KMH Hub since programme commenced in December 2020</li> <li>5,020 substantive colleagues have had a vaccine with 203 outstanding resulting in</li> </ul>				

a 96% uptake. Work continues to support vaccine hesitant colleagues to increase this further.

- The Hospital Hub continues to support the vaccination programme for clinically extremely vulnerable children aged 12- 15, and now been extended to included other groups aged 12- 15.
- Dose 3 vaccines are available for eligible immunosuppressed patients – this dose is available 8 weeks after 2nd dose.
- Across October booster Jabs have been offered to the SFH workforce, resulting in 2568 vaccines being administered, 53% uptake
- The resource hub and team were highly commended for a national Healthcare People Management Association (HPMA) award on 7<sup>th</sup> October 2021.

### Recommendation

The Trust Board is asked to take assurance from the report and to note the significant contributions made by colleagues at Sherwood Forest to enable the successful delivery of vaccinations to the citizens of Nottinghamshire and colleagues working at Sherwood.
