Executive Summary				
<p>The Quality Strategy is published in line with the Sherwood Strategic Vision. There is a short review of our success against our previous strategy and reference to key objectives implemented during its lifetime (e.g. Swartz rounds). It goes on to describe how we will approach our commitment to provide outstanding care, learn and improve as we do this and do this whilst supporting our colleagues. This is presented under the headings of four quality improvement campaigns.</p> <ul style="list-style-type: none"> • Support safe and effective care • Excellent patient experience • Sustain a culture of continuous quality improvement • Deliver high quality care with kindness <p>Quality priorities been identified from these campaigns and will be monitored through the Advancing Quality Programme and through this provide assurance to Quality Committee and Trust Board.</p>				

Board is asked to review the document and approve its content for publication.
