Executive Summary				
<p>The aim of the COVID-19 vaccination programme is to protect those who are at risk of serious illness or death should they develop COVID-19, and reduce transmission of the infection, thereby contributing to the protection of population health.</p> <p>The paper provides an overview of the contributions the Trust has made to support the Nottingham and Nottinghamshire COVID-19 vaccination programme.</p> <p>The details of the vaccinations issued to date are summarised in the attached slides.</p> <p>The Summary highlights to date are:</p> <ul style="list-style-type: none"> • Participated in two case studies nationally recognising positive impact to supporting uptake of Paediatric Vaccinations highlighting closely working with Paediatric colleagues. • KMH Hub currently delivered over 216,000 vaccines since December 2020 • Assurance and operational approval for Moderna vaccine granted and daily clinics 				

talking place

- Awaiting national update regarding cohorts to be offered 4th dose in Autumn 2022.
- Summer Plan will continue to focus on uptake from eligible cohorts, Over 75's and Immunosuppressed cohorts.
- KMH Hub currently offering vaccines to cohorts:
 - Adults aged 75 years and over,
 - Residents in a care home for older adults
 - 5-11 year olds
 - Immunosuppressed patients 12 years and older
 - Evergreen offer – 1st and 2nd doses to eligible cohorts
- Following discussion at the May Trust board further details associated with Information in relation to uptake of the Covid vaccination across Nottinghamshire, have been included providing visibility of system wide update
- Due to access to the National Immunisation Management System (NIMS) still not being available any updated position on Trust staff vaccine uptake is only as of February 2022. However, the Trust are activity reviewing the possibilities of access returning especially if the co-administration of COVID and Flu vaccine takes places this autumn.

Recommendation

The Trust Board is asked to take assurance from the report and to note the significant contributions made by colleagues at Sherwood Forest to enable the successful delivery of vaccinations to the citizens of Nottinghamshire and colleagues working at Sherwood.
