## **Executive Summary**

## Background

The 2022 Autumn Booster programme commenced on 5<sup>th</sup> September 2022 for roving services and PCN's to offer COVID vaccines to care home residents and staff and go live for KMH Hub and local vaccination services from 12<sup>th</sup> September 2022.

The attached slides provide operational programme details and performance.

The Summary highlights to date are:

- National Context
- KMH Hub offer
- ICB Programme Performance
- KMH Hub Performance 38% over plan
- COVID and Flu Vaccines available for SFH staff from 3<sup>rd</sup> October 2022.

## **Recommendation**

The Trust Board is asked to take assurance from the report and to note the significant contributions made by colleagues at Sherwood Forest to enable the successful delivery of vaccinations to the citizens of Nottinghamshire and colleagues working at Sherwood and surrounding NHS Trusts.
