## **Executive Summary**

Key points from the February meeting of the Board Risk Committee were as follows:

- The overall Trust risk profile remains stable, which indicates that there is a robust risk management framework in place
- The Committee reviewed regular reports on the Board Assurance Framework and the Significant Risk Register, along with an update from the Finance department
- A draft 3 year Internal Audit Plan was presented by 360 Assurance
- The Committee reviewed its effectiveness as required under its Terms of Reference
- No items were identified for escalation to the Board
