Relevant Strategic Priorities (please mark in bold)

Ensure the highest standards of safe care are consistently delivered by, and for, individuals, teams and departments	Ensure that patients experience the very best care, building on good practice and listening and learning from both negative and positive feedback and events
Provide timely access to diagnosis, treatment and care when people need it and safely reduce the time patients spend in hospital	Raise the level of staff engagement through strong leadership, communication, feedback and recognition
Reduce the scale of our financial deficit by reducing costs, improving utilisation of resources and productivity, and achieving best value for money	Work in partnership to keep people well in the community, and enable them to return as soon as they are ready to leave hospital
Develop and implement a programme of	

work in conjunction with Nottingham University Hospital NHST to create a new combined organisation
