

Public Board Meeting

Report

Subject: Finance Committee Update

Date: 29th July 2016 Author: Neal Gossage Lead Director: Neal Gossage

Executive Summary

The Finance Committee met on the 26/07/2016. This paper summarises the matters agreed by the Committee for reporting to the Board of Directors:

- The committee expressed increased confidence in the financial controls in the trust and the ability to achieve the control total for 2016/17. Performance to date is broadly in line with budget and a basic reforecast confirms that we are on target at present to achieve the control total assuming that the S&T funds are received in full.
- 2 CIPs are above plan for Q1 but the achievement of the Q2 target will be more challenging. The committee received reasonable assurance that the full year target will be achieve albeit with some none-recurrent savings.
- Preparations for the merger and a deflection of resources present a risk in achieving the CIP target for the year.
