

Board of Directors

Report

Subject: Access Policy Date: 20.11.2015

Author: Rebecca Stevens, Head of Information and Denise Gale, Interim Head of

Cancer Services

Lead Director: Peter Watson DCOO

Executive Summary

The policy meets all of the needs of national guidance and has been agreed with CCG leads and passed at CCG Boards.

The QIP includes implementation of the policy and a programme of training across all staff groups who need to embed the rules to ensure patients are treated in a safe and timely manner.

Recommendation

Members are asked to approve the policy for implementation.

Relevant Strategic Priorities (please mark in bold) To consistently deliver a high quality To develop extended clinical networks that patient experience safely and effectively benefit the patients we serve To eliminate the variability of access to To provide efficient and cost-effective and outcomes from our acute services services and deliver better value healthcare To reduce demand on hospital services and deliver care closer to home
