

Quick Reference Guide

Depart from SDEC – Home

If departing to home, Clinical staff should ensure that coding is updated throughout the patient's attendance. This information will pull through to the discharge form.

Add GP actions and medication information to the discharge letter in the ED clinician clinical noting profile. This data will transfer to the discharge form. Alternatively, fill in the **GP actions** and/or **meds info for GP** section on the discharge form.

1

From the **Patient List**, double click on the patient's name.

2

This opens to their **Clinical** page. From here, select **Patient admin** from the subheadings.

3

Select **Depart from assessment unit** on the left side.

4

Ensure you have the correct form.
use the  drop-down arrow to select **Depart from SDEC – Home**.

5

Fill in the form and select **Depart** from the bottom of the form.
