Dear [REDACTED]

A response to each part of your request is provided below. Please accept our apologies for the delay.

In your request you asked:

How many organisations are compliant with the UHA guidance which states that:

"If any of a foundation trust's hospitals have a formal relationship with a medical or dental school provided by a university, at least one member of the council of governors must be appointed by that university".

Could I ask that you therefore send me the number of governors you have from a University.

N/A – The Trust does not have a formal relationship with a Medical or Dental School.

Generally, the Information Commissioner's Office cannot decide unless you have exhausted the internal review procedure. You can find out more about how to do this, and about the Act in general,
