“deemed to be elected” means deemed to be elected for the purposes of counting of votes but without prejudice to the declaration of the result of the poll,

“mark” means a figure, an identifiable written word, or a mark such as “X”,

“non-transferable vote” means a ballot paper –

- (a) on which no second or subsequent preference is recorded for a continuing candidate, or
- (b) which is excluded by the returning officer under rule stv44(4) below,

“preference” as used in the following contexts has the meaning assigned below–

- (a) “first preference” means the figure “1” or any mark or word which clearly indicates a first (or only) preference,
- (b) “next available preference” means a preference which is the second, or as the case may be, subsequent preference recorded in consecutive order for a continuing candidate (any candidate who is deemed to be elected or is excluded thereby being ignored); and
- (c) in this context, a “second preference” is shown by the figure “2” or any mark or word which clearly indicates a second preference, and a third preference by the figure “3” or any mark or word which clearly indicates a third preference, and so on,

“quota” means the number calculated in accordance with rule stv41 below,

“surplus” means the number of votes by which the total number of votes for any candidate (whether first preference or transferred votes, or a combination of both) exceeds the quota; but references in these rules to the transfer of the surplus means the transfer (at a transfer value) of all transferable papers from the candidate who has the surplus,

“stage of the count” means –

- (a) the determination of the first preference vote of each candidate,
- (b) the transfer of a surplus of a candidate deemed to be elected, or

“transfer value” means the value of a transferred vote calculated in accordance with paragraph (4) or (7) of rule stv42 below.

37. Arrangements for counting of the votes – The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

38. The count – (1) The returning officer is to –

- (a) count and record the number of ballot papers that have been returned, and
- (b) count the votes according to the provisions in this Part of the rules.

(2) The returning officer, while counting and recording the number of ballot papers and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper.

(3) The returning officer is to proceed continuously with counting the votes as far as is practicable.

Stv39. Rejected ballot papers – (1) Any ballot paper –

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which the figure “1” standing alone is not placed so as to indicate a first preference for any candidate,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the ballot paper shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

(2) The returning officer is to endorse the word “rejected” on any ballot paper which under this rule is not to be counted.

(3) The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of paragraph (1).

fpp39. Rejected ballot papers – (1) Any ballot paper –

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which votes are given for more candidates than the voter is entitled to vote,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall, subject to paragraphs (2) and (3) below, be rejected and not counted.

(2) Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

(3) A ballot paper on which a vote is marked –

- (a) elsewhere than in the proper place,
- (b) otherwise than by means of a clear mark,
- (c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

(4) The returning officer is to –

- (a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
- (b) in the case of a ballot paper on which any vote is counted under paragraph (2) or (3) above, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.

(5) The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings –

- (a) does not bear proper features that have been incorporated into the ballot paper,
- (b) voting for more candidates than the voter is entitled to,

- (d) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of ballot papers rejected in part.

stv40. First stage – (1) The returning officer is to sort the ballot papers into parcels according to the candidates for whom the first preference votes are given.

(2) The returning officer is to then count the number of first preference votes given on ballot papers for each candidate, and is to record those numbers.

(3) The returning officer is to also ascertain and record the number of valid ballot papers.

stv41. The quota – (1) The returning officer is to divide the number of valid ballot papers by a number exceeding by one the number of members to be elected.

(2) The result, increased by one, of the division under paragraph (1) above (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).

(3) At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in paragraphs (1) to (3) of rule stv44 has been complied with.

stv42. Transfer of votes – (1) Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot papers on which first preference votes are given for that candidate into sub-parcels so that they are grouped –

- (a) according to next available preference given on those papers for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

(2) The returning officer is to count the number of ballot papers in each parcel referred to in paragraph (1) above.

(3) The returning officer is, in accordance with this rule and rule stv43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (1)(a) to the candidate for whom the next available preference is given on those papers.

(4) The vote on each ballot paper transferred under paragraph (3) above shall be at a value (“the transfer value”) which –

- (a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
- (b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot papers on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).

(5) Where at the end of any stage of the count involving the transfer of ballot papers, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot papers in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped –

- (a) according to the next available preference given on those papers for any continuing candidate, or
- (b) where no such preference is given, as the sub-parcel of non-transferable votes.

(6) The returning officer is, in accordance with this rule and rule stv43 below, to transfer each sub-parcel of ballot papers referred to in paragraph (5)(a) to the candidate for whom the next available preference is given on those papers.

(7) The vote on each ballot paper transferred under paragraph (6) shall be at –

- (a) a transfer value calculated as set out in paragraph (4)(b) above, or
- (b) at the value at which that vote was received by the candidate from whom it is now being transferred,

whichever is the less.

(8) Each transfer of a surplus constitutes a stage in the count.

(9) Subject to paragraph (10), the returning officer shall proceed to transfer transferable papers until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

(10) Transferable papers shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are –

- (a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
- (b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

(11) This rule does not apply at an election where there is only one vacancy.

stv43. Supplementary provisions on transfer – (1) If, at any stage of the count, two or more candidates have surpluses, the transferable papers of the candidate with the highest surplus shall be transferred first, and if –

- (a) The surpluses determined in respect of two or more candidates are equal, the transferable papers of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
- (b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable papers of the candidate on whom the lot falls shall be transferred first.

(2) The returning officer shall, on each transfer of transferable papers under rule stv42 above –

- (a) record the total value of the votes transferred to each candidate,
- (b) add that value to the previous total of votes recorded for each candidate and record the new total,
- (c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- (d) compare—
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

(3) All ballot papers transferred under rule stv42 or stv44 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that paper or, as the case may be, all the papers in that sub-parcel.

(4) Where a ballot paper is so marked that it is unclear to the returning officer at any stage of the count under rule stv42 or stv44 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot paper as a non-transferable vote; and votes on a ballot paper shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

stv44. Exclusion of candidates – (1) If—

- (a) all transferable papers which under the provisions of rule stv42 above (including that rule as applied by paragraph (11) below) and this rule are required to be transferred, have been transferred, and
- (b) subject to rule stv45 below, one or more vacancies remain to be filled,

the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where paragraph (12) below applies, the candidates with the then lowest votes).

(2) The returning officer shall sort all the ballot papers on which first preference votes are given for the candidate or candidates excluded under paragraph (1) above into two sub-parcels so that they are grouped as—

- (a) ballot papers on which a next available preference is given, and
- (b) ballot papers on which no such preference is given (thereby including ballot papers on which preferences are given only for candidates who are deemed to be elected or are excluded).

(3) The returning officer shall, in accordance with this rule and rule stv43 above, transfer each sub-parcel of ballot papers referred to in paragraph (2)(a) above to the candidate for whom the next available preference is given on those papers.

(4) The exclusion of a candidate, or of two or more candidates together, constitutes a further stage of the count.

(5) If, subject to rule stv45 below, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable papers, if any, which had been transferred to any candidate excluded under paragraph (1) above into sub-parcels according to their transfer value.

(6) The returning officer shall transfer those papers in the sub-parcel of transferable papers with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those papers (thereby passing over candidates who are deemed to be elected or are excluded).

(7) The vote on each transferable paper transferred under paragraph (6) above shall be at the value at which that vote was received by the candidate excluded under paragraph (1) above.

(8) Any papers on which no next available preferences have been expressed shall be set aside as non-transferable votes.

(9) After the returning officer has completed the transfer of the ballot papers in the sub-parcel of ballot papers with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot papers with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under paragraph (1) above.

(10) The returning officer shall after each stage of the count completed under this rule—

- (a) record –
 - (i) the total value of votes, or

- (ii) the total transfer value of votes transferred to each candidate,
- (b) add that total to the previous total of votes recorded for each candidate and record the new total,
- (c) record the value of non-transferable votes and add that value to the previous non-transferable votes total, and
- (d) compare—
 - (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

(11) If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with paragraphs (5) to (10) of rule stv42 and rule stv43.

(12) Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest candidate, the returning officer shall in one operation exclude such two or more candidates.

(13) If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest—

- (a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and
- (b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

stv45. Filling of last vacancies – (1) Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

(2) Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

(3) Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

stv46. Order of election of candidates – (1) The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the

order in which their respective surpluses were transferred, or would have been transferred but for rule stv42(10) above.

(2) A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

(3) Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

(4) Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

fpp46. Equality of votes – Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

Part 7 – Final proceedings in contested and uncontested elections

fpp47. Declaration of result for contested elections – (1) In a contested election, when the result of the poll has been ascertained, the returning officer is to –
