Dear [REDACTED]

With reference to your request for information received on 25 September 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

I am looking to find out how many organisations are compliant with the UHA guidance which states that clinical academics should comprise of

'A minimum of 6% of the consultant workforce with substantive contracts of employment with the university'

Could I ask that you therefore send me the number of substantive consultants within your Trust / the number of clinical academics / what this equates to as a percentage.

186 Substantive Consultants, one colleague with a University Contract which equates to 0.54%

I trust this information answers your request. Should you have any further enquiries or queries about this response please do not hesitate to contact me. However, if you are unhappy with the way in which your request has been handled, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Sally Brook Shanahan, Director of Corporate Affairs, King's Mill Hospital, Mansfield Road, Sutton in Ashfield, Nottinghamshire, NG17 4JL or email sally.brookshanahan@nhs.net.

If you are dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether we have complied with our obligations under the Act and can require us to remedy any problems. Generally, the Information Commissioner's Office cannot decide unless you have exhausted the internal review procedure. You can find out more about how to do this, and about the Act in general,
