Executive Summary				
<p>This strategy outlines the priorities for SFHFT's Safety Culture, Audit and Service Improvement programme over the next five years, reflecting both a local and inclusive approach, shaped by diverse staff voices from across the hospital sites.</p> <p>It is fully aligned to the Trust 'Healthier Communities' Strategy, and is designed to optimise the conditions and culture to deliver the strategic objective '<i>to continuously learn and improve</i>'.</p> <p>Key areas of focus are identified, together with timescales and key performance indicators to assess progress and whether objectives have been achieved.</p> <p>This strategy will be reviewed annually, to ensure that it is fit for purpose and responsive to future organisational requirements.</p>
