## **Executive Summary**

This paper aims to provide assurance by way of an update in relation to the review of bullying and harassment at Sherwood Forest Hospitals NHS FT (SFH).

Insight and learning has been gathered from various sources including; the National Staff Survey results, divisional engagement sessions, HR, F2SU, Safeguarding, Datix and Estates.

An action plan has been developed led by the Director of Culture and Improvement and supported by expert leads for improvement.

Actions within the plan have been discussed and reviewed to ensure they support national standards on violence reduction, led by the Chief Nurse and align to the Dignity at Work Policy.

## The Board is asked to:

- Recognise learning taken from the review and actions identified
- Be assured by the approach and actions in train
- Be assured that SFH is responding to the needs of colleagues health and wellbeing
- Be assured that information and learning is gathered from multiple sources
- Recognise actions to improve colleague experience at a system level
