**6<sup>th</sup> February 2024**

Dear Sir/Madam

With reference to your request for information received on 20<sup>th</sup> January 2024, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

**Your organisations current "Pharmacy strategy" document - This may also be titled Medicines Management Strategy, Pharmacy, Prescribing and medicines strategy or similar and should identify your organisations strategic plans to develop and evolve your hospital pharmacy to ensure safe and effective use of medicines. This may be incorporated within an ICS wide strategy and, if so, please can you identify that this is the case and either share this document or identify which organisation "owns" it to allow a request to be made to that organisation.** Please refer to the supplied SFH Optimisation Strategy 2020 – 2025.

I trust this information answers your request. Should you have any further enquiries or queries about this response please do not hesitate to contact me. However, if you are unhappy with the way in which your request has been handled, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Sally Brook Shanahan, Director of Corporate Affairs, King's Mill Hospital, Mansfield Road, Sutton in Ashfield, Nottinghamshire, NG17 4JL or email [sally.brookshanahan@nhs.net](mailto:sally.brookshanahan@nhs.net).

If you are dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether we have complied with our obligations under the Act and can require us to remedy any problems. Generally, the Information Commissioner's Office cannot decide unless you have exhausted the internal review procedure. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/your-data-matters/official-information/>.
