Yes	Section 21	I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. Section 12 of the Act allows the Trust to refuse to deal with any requests where we estimate that responding to the request would exceed the cost limit. We have identified that question 1 & 2 will exceed the cost limit. For public authorities the cost limit is £450 (18 hours). If responding to one part of a request would exceed the cost limit, we do not have to provide a response to any other parts of the request. Therefore, the estimated cost of processing your request is £1000.00. This charge has been calculated in accordance with section 13 of the Freedom of Information Act 2000 and the Freedom of Information Fees Regulations. In order to locate this information, we would need to review paper records for the last 5 years. We have estimated that it would take in excess of 40hours to gather this information. We estimate that the cost of satisfying your request will be £1000.00 (40 hours x £25 per hour). Under section 16 of the Act we are obliged to advise you to refine your request to narrow the scope in order to bring it within the

If you are unable to reduce the scope of the request the Trust will be unable to continue processing your request until the fee is paid. If you wish to proceed with this request the fee will need to be paid within three calendar months. If the fee is not received by this date, I shall take it that you do not wish to pursue this request and will consider the request closed.
