

Understanding Universal Credit

Did you know you can you can work and still get Universal Credit? If you are on a low income, you may be eligible.

It might be worth claiming Universal Credit if:

- you're struggling to pay the bills
- your income has dropped but you're still working
- you have expensive childcare costs or
- you're caring for someone.

The amount you may be eligible depends on your situation. If you're not sure if you can get Universal Credit, you can talk to an adviser at Citizens Advice.
