

## Changing Printer Settings for Zebra Printing

On the windows desktop type Printers into the **search bar** at the bottom of the screen.

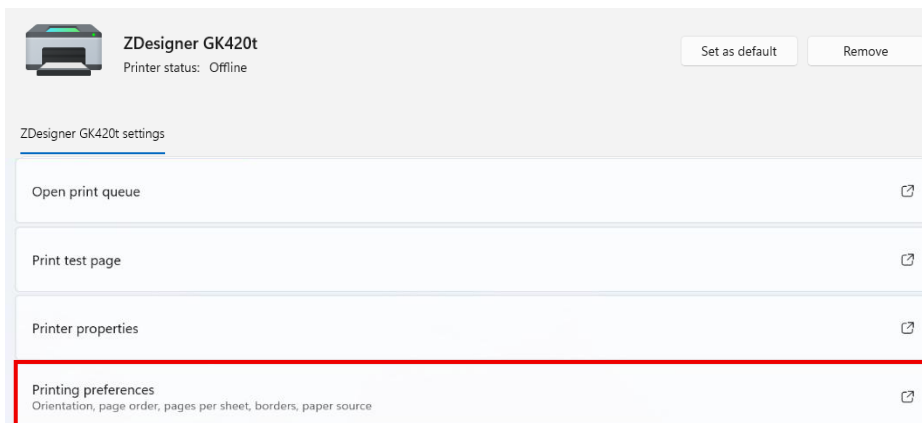

Select **printers and scanners** from the menu

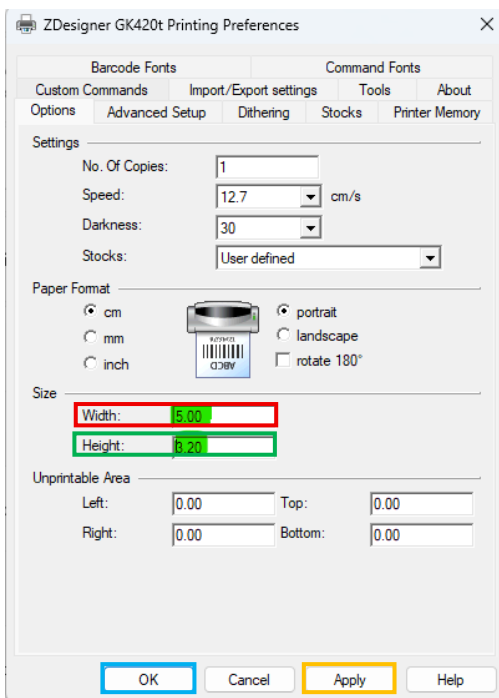

Find the zebra printer from the list shown, click on the zebra printer.

A new menu will appear, select **Printing Preferences**

In the pop-up box, change the label size to **5 width** and **3.2 Height**.

Click **apply** and then **OK**.
