## Want to Say **Thank You** to a member of our SFH staff? **Share Your Story!**

TULIP is for Touching Unique Lives in Practice and is used to recognise the amazing work and care that staff at Sherwood provide in and out of the hospital daily. It is solely there to provide a well-deserved thank you to our staff that provide outstanding care to patients and the local community.

TULIP isn't about being judged by a panel, it is about having made someone's day a little brighter and it is a personal message of thanks.

**Anyone can submit a recognition, colleagues, patients, and members of the public.**

**To nominate someone from #TeamSFH for a Tulip.**

Anyone may thank a deserving member of staff by filling out this form and posting it in any DAISY/ TULIP postbox in the hospital or by posting it to the address on the form.
