Dear [REDACTED]

With reference to your request for information received on 8<sup>th</sup> November 2023 in which you asked:

**Under the Freedom of Information Act would it be possible to forward me the following information regarding the use of home phototherapy systems used by your community midwifery teams.**

- **What (if any) home phototherapy system is used in the community to manage jaundice in babies?**
- **When were they purchased or when was a contract agreed?**
- **How many were purchased? (Per Hospital if purchased)**
- **When will they be renewed or when does the current contract expire?**
- **Would it also be possible to obtain the contact details of the person dealing with managing the home phototherapy systems that the community midwifery teams use?**

I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do not hold the information you have requested. We do not provide Home Phototherapy services at the Trust.
