6. Name and Contact Details for the Waste Manager associated to the Trust

Names, job titles (other than that of the board of directors) and email addresses constitute personal data.

Section 40(2) provides that personal data is exempt information if one of the conditions set out in section 40(3) is satisfied. In our view, disclosure of this information would breach the data protection principles contained in the General Data Protection Regulations and Data Protection Act 2018

In reaching this decision, we have particularly considered:

- The reasonable expectations of the employees given their positions; Sherwood Forest Hospitals NHS Foundation Trust considered that none of the individuals would have a reasonable expectation that their personal data would be disclosed;
- The consequences of disclosure; and
- any legitimate public interest in disclosure.

Section 40(2) is an absolute exemption and therefore not subject to the public interest test

8. Name and Contact Details for the Procurement Lead associated to the Trust

10. Do the Trust have a reusable sharps solution in place to reduce the amount of single use plastic that is incinerated in traditional practices?

Yes.

11. Are there any onsite treatment facilities located on Trust premises which would mitigate the need for ensuing carbon footprint through the road miles that it takes to take the waste away?

No.

I trust this information answers your request. Should you have any further enquiries or queries about this response please do not hesitate to contact me. However, if you are unhappy with the way in which your request has been handled, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Sally Brook Shanahan, Director of Corporate Affairs, King's Mill Hospital, Mansfield Road, Sutton in Ashfield, Nottinghamshire, NG17 4JL or email sally.brookshanahan@nhs.net.

If you are dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether we have complied with our obligations under the Act and can require us to remedy any problems. Generally, the Information Commissioner's Office cannot decide unless you have exhausted the internal review procedure. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/your-data-matters/official-information/>.
