I am writing in response to your request for information under the FOI 2000.

I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below. Please accept our apologies for the delay.

1 - Does the organisation have an 'open' formulary which can be added to at anytime? Yes/No	No.			
2 - If No, and the formulary is 'closed' and reviewed on a regular basis, please could you confirm the last date it was renewed to its current status and when is it next open for review?	Wound care formulary is reviewed every 2-3 years in conjunction with the East Midlands Tissue Viability group and NHS Supply chain. The last Framework review was launched September 2023. The next go live date for the Advanced wound care framework is September 2025. The majority of wound care products used within the Trust are within this framework.			
3 - Who, within the organisation is the most appropriate person to contact in relation to (a) the formulary process and (b) the provision and oversight of wound care?		Yes	Section 40(2)	Names, job titles and email addresses (other than that of our board of directors) constitute personal data. Section 40(2) provides that personal data is exempt information if one of the conditions set out in section 40(3) is satisfied. In our view, disclosure of this information would breach the data protection principles contained in the General Data Protection Regulations and Data Protection Act 2018.

				<p>In reaching this decision, we have particularly considered:</p> <ul style="list-style-type: none"> • The reasonable expectations of the employees given their positions; Sherwood Forest Hospitals NHS Foundation Trust considered that none of the individuals would have a reasonable expectation that their personal data would be disclosed; • The consequences of disclosure; and • any legitimate public interest in disclosure. <p>Section 40(2) is an absolute exemption and therefore not subject to the public interest test.</p>
