RE: Freedom of Information Request

30th June 2023

Dear Sir/madam

With reference to your request for information received on 3rd May 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Pursuant to my previous FOI "cost of strike cover", sent on April 25, please could you confirm the amount of money the trust would have expected to spend (or estimates it would have spent) paying the wages of staff junior doctors who took BMA strike action if those who took action had worked their shifts as normal?

I want to work out if the trust spent more money to cover striking doctors' shifts with additional labour than it would have done had the striking staff worked the shifts.

Please can I have information corresponding to these dates of industrial action by the British Medical Association:
