

Quick Reference Guide

Viewing the Expects List.

1

Select **Expects** from the top of the screen.

2

Use the fields to filter the search list, then select 

3

Select the **Profile** from the drop down on the right-hand side to view expected patients. Select either **ED Expects** or **Expects Profile**.

4

Use the  /  icon beside the patient's name to edit / cancel preadmission or admit.
