16.4.1 “Gross assets” means the total of fixed assets and current assets;

16.4.2 In assessing the value of any contingent liability for the purposes of sub paragraph 16.3.3 the Directors:

16.4.2.1 must have regard to all circumstances that the Directors know, or ought to know, affect, or may affect, the value of the contingent liability; and

16.4.2.2 may rely on estimates of the contingent liability that are reasonable in the circumstances; and

16.4.2.3 may take account of the likelihood of the contingency occurring.

16.5 Where the Trust has a single requirement for goods, services or works, and a number of transactions are to be entered into to fulfil that requirement, the value of the transaction for the purpose of paragraph 16.3 is the aggregate value of each of those transactions.

16.6 The Trust shall inform, as soon as is reasonably practicable, the Council of Governors of any transaction which it has approved which in its opinion is likely to have a negative effect on the Trust's reputation.

17 Indemnity

17.1 Members of the Council of Governors and Board of Directors who act honestly and in good faith will not have to meet out of their personal resources any personal civil liability which is incurred in the execution or purported execution of their board functions, save where they have acted recklessly. Any costs arising in this way will be met by the Trust.

17.2 The Trust may make such arrangements as it considers appropriate for the provision of indemnity insurance or similar arrangement for the benefit of the Trust, Governors or Directors to meet all or any liabilities which are properly the liability of the Trust under paragraph 17.1.

18 Instruments and acts of the Trust etc.

18.1 A document purporting to be duly executed under the Trust's seal or to be signed on its behalf is to be received in evidence and, unless the contrary is proved, taken to be so executed or signed.

18.2 The Trust is to have a seal, but this is not to be affixed except in accordance with the provisions of the Standing Orders for the Board of Directors.

18.3 The validity of any act of the Trust is not affected by any vacancy among the Directors or by any defect in the appointment of any Director.

19 Engagement

19.1 The Trust has adopted an Engagement Policy for matters relating to interaction between the Council of Governors and the Board of Directors.

20 Amendment of the Constitution

20.1 This Constitution may only be amended with the approval of:

20.1.1 more than half of the members of the Board of Directors voting; and

20.1.2 more than half of the members of the Council of Governors voting.

20.2 Amendments made under paragraph 20.1 take effect as soon as the conditions in that paragraph are satisfied, but the amendment has no effect in so far as the constitution would, as a result of amendment, not accord with Schedule 7 of the 2006 Act.

- 20.3 Where an amendment is made to the Constitution in relation to the powers or duties of the Council of Governors (or otherwise with respect to the role that the Council of Governors has as part of the Trust):
 - 20.3.1 at least one member of the Council of Governors must attend the next Annual Members' Meeting and present the amendment; and
 - 20.3.2 the Trust must give the Members an opportunity to vote on whether they approve the amendment.
- 20.4 If more than half of the Members voting approve the amendment, the amendment continues to have effect; otherwise, it ceases to have effect and the Trust must take such steps as are necessary as a result.
- 20.5 The Trust shall inform the NHSE of any amendments to the Constitution.
