[REDACTED]
RE: Freedom of Information Request

Tel: 01623 622515
Join today: www.sfh-tr.nhs.uk

24th October 2023

Dear [REDACTED]

With reference to your request for information received on 11th September 2023, I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information you have requested. A response to each part of your request is provided below.

In your request you asked:

Q1. How many patients were treated in the last 3 months by the Dermatology department (for any medical condition) with the following biologic drugs:

- Adalimumab – Humira – 1
- Adalimumab Biosimilar – 36
- Apremilast – 6
- Bimekizumab – 2
- Brodalumab – 3
- Certolizumab – 3
- Deucravacitinib – 0
- Dimethyl fumarate – 14
- Etanercept – Enbrel – 1
- Etanercept Biosimilar – 5
- Guselkumab – 12
- Infliximab – Remicade – 0
- Infliximab Biosimilar – 0
- Ixekizumab – 0
- Risankizumab – 12
- Secukinumab – 10
- Tildrakizumab – 0
- Ustekinumab – 15

Home, Community, Hospital.

We are proud to
be a smoke-free
site

Chair Claire Ward
Chief Executive Paul Robinson

Q2. How many patients were treated in the last 3 months by the Dermatology department for Psoriasis ONLY in the last three months with the following:

- **Ciclosporin**
- **Methotrexate - any form and strength**
- **Methotrexate injections 15mg and above**

Drug	July	August	September	Total
METHOTREXATE	1	0	0	1
METHOTREXATE 15+	0	0	1	1
Grand Total	1	0	1	2

Caveat - Please note that this information only relates to inpatient activity. Unfortunately, ICD10

coding is not consistently applied to outpatient activity and therefore it not a reliable way to extract a particular group of patients.

We have extracted records based on ICD10 coding in any position within the patient's record. This means that the diagnosis is not necessarily the primary reason for admission.

We cannot say if the drug in question was used to treat a specific diagnosis; only a clinical review will confirm that. My extract only indicates that the drug was issued to the patient and the patient was discharged from an inpatient spell with the requisite diagnosis code(s) within the requested time period.

Diagnosis Code: Psoriasis (L40.9) - ICD10 Coding.

I trust this information answers your request. Should you have any further enquiries or queries about this response please do not hesitate to contact me. However, if you are unhappy with the way in which your request has been handled, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Sally Brook Shanahan, Director of Corporate Affairs, King's Mill Hospital, Mansfield Road, Sutton in Ashfield, Nottinghamshire, NG17 4JL or email sally.brookshanahan@nhs.net.

If you are dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether we have complied with our obligations under the Act and can require us to remedy any problems. Generally, the Information Commissioner's Office cannot decide unless you have exhausted the internal review procedure. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/your-data-matters/official-information/>.

Complaints to the Information Commissioner's Office should be sent to FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 1231113, email casework@ico.org.uk.

If you would like this letter or information in an alternative format, for example large print or easy read, or if you need help with communicating with us, for example because you use British Sign Language, please let us know. You can call us on 01623 672232 or email sfh-tr.foi.requests@nhs.net.

Yours sincerely

Information Governance Team

All information we have provided is subject to the provisions of the Re-use of Public Sector Information Regulations 2015. Accordingly, if the information has been made available for re-use under the [Open Government Licence](#) (OGL) a request to re-use is not required, but the licence conditions must be met. You must not re-use any previously unreleased information without having the consent from Sherwood Forest Hospitals NHS Foundation Trust. Should you wish to re-use previously unreleased information then you must make your request in writing. All requests for re-use will be responded to within 20 working days of receipt.
